RNBBLOCKPARTY COOKIES POLICY

Cookies Policy
Our website uses cookies according to standard online practices, to assist your online access and browsing. Cookies are small text files that are stored by the website's main server onto the hard drive of the computer or other electronic device used to access the website. Cookies are unique to each web browser (e.g. Google Chrome, Mozilla Firefox, Internet Explorer, etc.) and they contain anonymous information regarding the website being visited by the user.

Cookies are used for:
Storing your preferences for future visits to the website
Showing ads Collecting statistical data on page visits, etc.

In general, cookies serve many functions, such as facilitating navigation from one web page to another, saving your preferences, and improving your overall browsing experience on the website. Website users can individually adjust their web browser settings regarding cookies and their acceptance. Depending on your browser, you can choose to automatically accept all cookies (this is usually the default option), to be alerted when cookies are being used in some cases, and to ban the use of cookies altogether. If you choose to ban the automatic use of cookies, it is possible that you may not have full access to the services of www.rnbblockparty.nl and of other websites that you visit.

Essential cookies
Essential cookies are those that are necessary for the proper operation of the website, that allow you to browse and to use its services, such as subscribing or accessing safe areas. Such cookies do not recognize your personal identity. Without these

Performance cookies
Performance cookies gather information about the ways in which users navigate the website, which pages they visit more often and if they receive error messages. These cookies collect aggregate,

anonymous information that does not identify any individual visitor. They are used exclusively to improve a website's performance.

Operational cookies
These cookies help our website "remember" user choices such as a user's name or area, in order to provide improved and personalized services. Information collected by these cookies is anonymous and cannot follow your browsing activity on other websites.

Adjusting cookie settings
If you wish, you may activate or deactivate the use of cookies through the settings panel of your web browser. For more information on cookies, visit www.aboutcookies.org. Depending on your web browser, visit the following pages for information on the necessary actions:

Internet Explorer http://support.microsoft.com/kb/278835
Firefox http://support.mozilla.org/en-US/kb/delete-cookies-remove-info-websites-…
